LED Picture Spot Lights from Nightinglow

Vinay Group offers a wide range of Light Fittings & Luminaries under the brand Nightinglow. The Brand has grown at dynamic pace in last few years. Nightinglow now offers a vast range of products for both Indoor and Outdoor applications. The brand's core strength lies in serving the industry with efficient, innovative and high quality products. Nightinglow Brand has evolved by addition of more and more products with LED lamp source in various categories.

Nightinglow offers LED Picture Art Spot Lights which are made of Aluminum Base material. They are available in one, two and three lamp options to meet different design requirements. Few models also offer flexibility in changing direction of illumination.

PICTURE ART Spot Lights are used to bring focus to specific areas, corners, pictures or artifacts in the room. They help add finishing touches to the room by highlighting specific objects and thereby making the atmosphere interesting. Applications include art galleries, performance shows, home, shops, boutiques, lounges, etc.
